Re: Peter Heiler et al. - U.S. Patent Application  
Kennwort: Walzenstruktur  
Appl. No. 09/658,712 - Filed: September 11, 2000

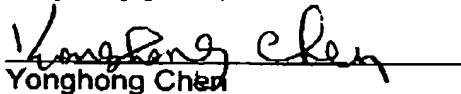

Dear Mr. Vollrath:

Pursuant to your letter of instructions dated April 26, 2006, I prepared a draft amendment, which is enclosed herewith.

Please note that the features of claims 7 and 8 have been incorporated into claims 1 and 10, respectively. Since this is an after final amendment, the filing of an RCE may be required for the amendment to be entered.

Please review the draft and let me have your comments and further instructions before June 14, 2006.

Very truly yours,

  
Yonghong Chen
